Help Improve Dental Health for Kids!

BC Children's Hospital is inviting parents and caregivers of children 0-18 years old, who live in rural or remote areas in BC and Yukon, to complete this survey.

We would like to better understand your family's dental health needs. We will use survey responses to plan a dental project. This project will make it easier for families to learn about dental health, and to get dental care.

The survey will take about 15-25 minutes.

You can receive a \$25 gift certificate for completing the survey.

Available in the following languages: English, 汉语, دری, 한국어, ਪੰਜਾਬੀ, العربية, हिन्दी, Español, فارسی, ትግርኛ, Українська

IF YOU ARE INTERESTED IN COMPLETING THE SURVEY, EMAIL HEALTHBRIDGE@CW.BC.CA.

NOTE: MUST BE 16 YEARS OF AGE OR OLDER. CAPACITY FOR 135 FAMILIES TO PARTICIPATE.

If you have any questions about privacy or the survey, please email Linda Warner, Patient and Family Engagement Lead, at healthbridge@cw.bc.ca.
